LEXINGTON, Ky., Sept. 17, 2018 /PRNewswire/ -- Valvoline Inc. – a leading worldwide supplier of premium branded lubricants and automotive services – announced today the opening of a new Valvoline™ Express Care™ location in Kingsville, Ontario.

A core element of Valvoline's strategy is to accelerate the growth of its industry-leading quick-lube model, which includes its Express Care platform. Valvoline Express Care locations are independently owned and feature Valvoline high quality motor oils, filters and automotive service chemicals to ensure you receive quality products you can trust. In addition to providing fast full-service oil changes, Express Care operators perform a wide range of preventive maintenance services, typically with no appointment necessary, including automatic transmission, radiator, coolant and power steering services; tire rotation; wiper blade and light bulb replacement.
